**MEMO ENDORSED**

Dear Judge Caproni,

We represent Rovier Carrington in the above-referenced action. With this letter, we are filing a redacted version of a letter requesting that the Court release Mr. Carrington pending sentencing. We will submit an unredacted version of the letter to the Court via email as well as two exhibits. In the unredacted version, we indicate which portions have been redacted with grey highlighting.

We respectfully request that the letter be filed on the public docket in redacted form only and that the two accompanying exhibits—Mr. Carrington's medical records—be filed under seal. Redaction and sealing are appropriate because the letter and exhibits contain Mr. Carrington's medical records, treatment, and diagnoses. *See* S.D.N.Y. ECF Rules & Instructions 21.4 ("Caution should be exercised when filing documents that contain . . . [m]edical records, treatment, and diagnosis."). The government has no objection to our request to file these materials under seal.

Respectfully submitted,

/s/ Telemachus P. Kasulis

The Defendant's motion to file the bail application and accompanying exhibits in redacted form and under seal is GRANTED.

SO ORDERED.
